Notes

If more than one race is scheduled or completed for each race day/event above then the overall placing's of that day/event will be used for the results above, these means we get more racing in and keeps the scoring system simple.

If you did not compete (DNC) you will received total number boats entered in series plus 1. If you start the race but did not finish you will received last place only (DNF) rather than penalise a competitor because they could not finish.

When fewer than 4 races have been completed, a boat's series score will be the total of their race scores.

When from 4 to 7 races have been completed, a boat's series score will be the total of their race scores excluding their worst score.
